### Notes

- **Customizable Sizes:** Prices are estimates based on standard materials and design — actual costs may vary depending on site location, material preferences (metal, wood, or hybrid), and specific client requirements.
- **Inclusive Features:** Each quote includes design, materials, installation, and basic testing. Optional features such as temperature control, solar fans, and trays can be added at an extra cost.
- **Warranty & Support:** All installations come with a 6-12 month warranty and after-sales support, ensuring reliable performance and long-term efficiency.
